

# Riu Palace Aruba Timeshare Information

## Royal Palm Club Rules and Regulations

- Timeshare units, hallways and balconies are Non-Smoking. This policy includes Cigarettes, E Cigarettes, Vapor Cigarettes, Pipes, Cigars, Drugs and any other form of smoking not listed. There is a fee imposed for smoking in timeshare units of \$250 per incident. Anyone smoking in non smoking areas will be asked to check out. Smoking is not permitted on balconies/patios as debris is often blown down to guest on other floors.
- The phone extension for Timeshare is 8024. The Riu also has an App you may download to use for all request during your stay. To dial the Front Desk, press 9 from your Room Telephone. For an outside line press 6-charges apply. The Front Desk is available to assist with anything you may need.
- ALL CHARGES from the Riu appear on your statement as Silver Moon Hotel & Casino. Please make note of this so there is no confusion.
  - \* Patio Door & 1st & 2nd floor beach doors may not remain open. This turns the Air Conditioning off and creates dampness and mold in the Timeshare Units. All door must be remained closed. If doors are found open, the Riu may charge a fee for dampness & mold clean up.
  - \* If you are staying in a 1st or 2nd floor unit, please check the Windows to make sure they are locked.
  - \* The Door from the Timeshare Building down to the beachfront may not be propped open. This has become problematic allowing non Riu Guest to enter the building. If this continues, the Riu will block access to this door.
  - \* Please do not leave personal items on Patios or Balconies in Timeshare Units. The Riu is not responsible for items left out.
  - \* Renters & Guest must be provided with the Rules & Regulations.
- Timeshare units must be left in reasonable condition upon check out. Dishes washed and put away, trash in proper containers, refrigerator cleaned out, beach towels returned to towel hut, personal belongings removed. If you are leaving food or personal items for housekeeping, these items should be bagged up and left on the counter. Food may not be left in the refrigerators or cabinets. If additional cleaning, beyond the standard guidelines is required at check out, the member or guest will be responsible for this cost.
- Cardboard boxes are not permitted to be brought into timeshare units or hall ways. Please ask the grocery store to bag your groceries in bags and not in cardboard boxes. Bringing cardboard into timeshare units can create pest control problems which the Riu works very hard to control.
- Dishes, glasses, utensils, cookware, small kitchen appliances, furniture, etc.. may not be removed from any timeshare unit. These items may not be taken to another timeshare unit as it is not possible to maintain inventory when items are removed. If these items are missing at check out, members or guest will be responsible for replacement cost.
- Furniture may not be removed from any unit. Furniture may not be damaged by members or guest (stains, spills, cigarette burns, abuse). If the furniture is damaged by a member or guest, the member or guest is responsible for cleaning, repairs or replacement. Housekeeping will notify management if items are damaged upon check out.
- Furniture may not be taken outside onto balconies or lanai areas. Upholstered furniture is not allowed outside of the timeshare unit. Patio Furniture may not be removed from beachfront patios.
- Beachfront owners may not move patio furniture from unit to unit. If you are missing sit up chairs, please contact the timeshare rep. If you are missing beach lounge chairs, please get them from the beach. Personal items may not be left in patio areas at check out.
- Members and Guest will be responsible for any damage done to timeshare units or furnishings during their contract week.
- If an item is missing or damaged at check in, please notify timeshare management immediately. If anything is wrong with a timeshare unit, please notify timeshare or management.
- Timeshare Members and Guest must check out at the timeshare desk. If a Timeshare Member or Guest leaves without checking out and an open balance remains on their account, the Royal Palm Club/Riu Palace Aruba has permission to charge the outstanding balance to the credit card as listed on the authorization form. There will be an administrative fee of \$25.00 added to outstanding balance if the member or guest leaves without paying their balance in full.

- When timeshare Members rent their units for less than a week and cleaning is required for an additional check in during the 7 day period, the cost to clean the unit is \$50.00 for a one bedroom unit and \$75.00 for a 2 bedroom unit.
- Timeshare members will be required to leave a signed credit card authorization at check in for outstanding balances, damages or extra cleaning required for timeshare units.
